## ?Citations prize? voor UMC Utrecht

TaalOnbepaald

Een artikel van collega?s op de afdeling Radiotherapie van het UMC Utrecht heeft de Rotblat Medal gewonnen: 'First patients treated with a 1.5 T MRI-Linac: clinical proof of concept of a high-precision, high-field MRI guided radiotherapy treatment'<sup>[1]</sup>.

Gefeliciteerd aan alle auteurs!

Physics in Medicine & Biology awards the Rotblat Medal to the authors of the research paper that has received the most citations in the preceding five years (according to the Institute for Scientific Information (ISI)). The Rotblat Medal is named in honour of Prof. Sir Joseph Rotblat who was the second ? and longest serving ? editor of PMB from 1961?1972.
